DETAILS: All information set out in this report is furnished by T-1, who has furnished reliable information in the past, as obtained by him from a source which he declined to identify but whom he termed reliable and a member of the captioned organization.

I. GENERAL ACTIVITIES OF THE
NATIONAL RENAISSANCE PARTY

T-1 indicated on December 26, 1956, that the National Renaissance Party (NRP) continues to maintain headquarters at 10 West 90th Street, New York City, in the apartment of JAMES MADOLE, its national leader.

He stated that two public meetings were held by the Party on November 2, and December 13, 1956, which were attended by only a small number of people. He indicated that MADOLE frequently holds informal meetings at his apartment which are also attended by a small number of people. He added that the Party apparently is not gaining any strength and that MADOLE expressed his disappointment at the small turnouts which they had had for their public meetings.

T-1 added that JAMES MADOLE has indicated that he is now deriving an income of about \$40 per month for the Party mainly through the selling of Egyptian and Arab literature.

T-2, who was in a position to furnish reliable information, indicated [REDACTED]

II. INDIVIDUALS CONNECTED WITH THE NRP

JAMES H. MADOLE

*National leader - National
Renaissance Party 10 West 90th St*

T-1 indicated on December 14, 1956, that
at all meetings of the NRP, MADOLE is always the principal
speaker. He indicated that at a meeting on December 13,
1956, MADOLE spoke at length praising Premier NASSER and
the Arab states.

MADOLE also indicated at this meeting that
there could never be peace in the Middle East until the
State of Israel is obliterated.

MADOLE also attacked the Supreme Court and
Attorney General BROWNELL for forcing the "niggers" down
the throat of the South.

T-1 indicated on December 3, 1956, that MADOLE
had contacted Nola Studios and arranged for a meeting
room on the night of December 14, 1956. However, he had
later changed this meeting date to Thursday, December 13,
1956, because he had a date with a new girl friend on the
14th.

~~SECRET~~

~~SECRET~~

NY 105-6112

T-1 added that MADOLE had recently indicated that he had received a letter from JOHN KASPER, leader of the White Citizens Council in Washington, D. C., which indicated plans to hold a meeting in Washington and requesting MADOLE to be present as one of the speakers. MADOLE had stated that he was thinking of going to this meeting when a definite date is established.

T-3, who has furnished reliable information in the past, indicated on December 17, 1956, that JAMES MADOLE resides at 10 West 90th Street, Apartment 8, with his mother GRACE MADOLE. *N.Y. N.Y.*

He stated there has been a great deal of activity during the past month at this apartment in that every evening, many people visit the MADOLEs. He indicate he believes that members of the NRP hold frequent meetings in this apartment but he is unable to identify any of these members.

GRACE MADOLE

T-1 stated on December 26, 1956, that GRACE MADOLE continues to reside at 10 West 90th Street, Apartment 8, with her son, JAMES MADOLE, who is leader of the NRP.

He said that she is still employed at the Metropolitan Life Insurance Company, New York City, and apparently works long hours at this job although she is reportedly eligible to retire. He added that she apparently has no close associates and very seldom engages in any activity except that connected with the NRP.

He stated that she attended meetings of the NRP held at Nola Studios, New York City, on November 2, 1956, and December 13, 1956. He said that at both of these meetings, she was seated at the literature table and was active selling Egyptian literature which the Party had for sale as well as regular NRP literature.

~~SECRET~~

~~SECRET~~

NY 105-6112

T-1 further stated that GRACE MADOLE has never been a speaker at any of these meetings and takes no other active part in the meetings except in the selling of literature.

He said that she is not known to ever have been active in any other organizations and her main reason for supporting the NRP appears to be in support of her son. He said that she feels that so long as JAMES MADOLE is actively interested in the NRP, that she will be able to aid him and counsel him.

ETHEL CROOKES

National Renaissance Party

T-1 indicated on November 8, 1956, that ETHEL CROOKES had attended a meeting of the NRP on November 2, 1956, at N. 1a Studios, New York City. He indicated, however, that she had not been associating with members of the NRP in recent months, to his knowledge, and he knew of no activities she has currently performed for the Party. He stated that at no time did she ever appear to hold an influential position in the NRP and although she is referred to as Treasurer of the NRP, he does not believe that she has any part in the operation of the Party.

BENJAMIN FREEDMAN

T-1 indicated on November 27, 1956, that BENJAMIN FREEDMAN continues to confer with JAMES MADOLE about future issues of the "National Renaissance Bulletin." FREEDMAN reportedly is anxious to maintain his contact with MADOLE in order to use this publication as a vehicle for his views in propaganda.

T-1 indicated on December 28, 1956, that FREEDMAN, who for many years has been friendly with Arab officials in New York City, has recently been attending United Nations Committee meetings. He stated that at

~~SECRET~~

NY 105-6112

~~SECRET~~

these meetings, FREEDMAN would attempt to ingratiate himself with Arab officials and on other occasions he would indicate to people that he is backing several publications. The informant indicated that he is making a general nuisance of himself and most people regard him as a man with a disordered mind.

This informant also indicated that for many years, FREEDMAN had been associated with and supported "Common Sense," the publication of CONDE MC GINLEY, but that recently they had an argument over material that FREEDMAN wanted published and that they have not met since that time.

It is noted that "Common Sense," published by the Christian Educational Association of Union, New Jersey, was characterized in a report issued on December 17, 1954, by the Committee on Un-American Activities of the United States House of Representatives as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

FREDERICK WEISS - *dy*

T-1 indicated on December 26, 1956, that FREDERICK WEISS has visited JAMES MADOLE at his apartment recently on several occasions. He stated, however, WEISS apparently has not been furnishing any money to MADOLE in recent months and has not been directing any of the activities of the NRP.

~~SECRET~~

NY 105-6112

~~SECRET~~

He said, however, that WEISS has written an anti-semitic leaflet entitled, "Who Cares," which MADOLE had agreed to distribute in the South for him.

b6
b7C

T-1 indicated on December 26, 1956, that JOSEPH RUDDEN continues to be an active member of the National Renaissance Party subject group and that he appeared briefly as a speaker at public meetings of the Party held on November 2, and December 13, 1956.

III. STATED AIMS AND PURPOSES OF THE NRP

The September - October, 1956 "National Renaissance Bulletin" contained the following on its masthead:

"Official organ of the National Renaissance Party devoted to a restoration of the American republic, a preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice."

IV. ACTION TAKEN TO IMPLEMENT THE PROGRAM OF THE NRP

A. Meetings

T-1 indicated on October 19, 1956, that JAMES MADOLE had reserved a room at Nola Studios to hold a meeting of the NRP on Friday evening, November 2, 1956.

T-1 indicated on October 31, 1956, that the NRP had distributed cards announcing a major political rally sponsored by the NRP on November 2, 1956, at the Nola Studios, 113 West 57th Street, New York City.

T-1 indicated on November 6, 1956, that a meeting of the subject group was held from 8:45 P. M. until 10:45 P. M. on November 2, 1956, at Nola Studios, New York City. He stated that approximately 27 people were present and that \$16.00 was received in a collection.

He indicated that persons known to be present were JAMES MADOLE, GRACE MADOLE, ETHEL CROOKES, [redacted] JOE RUDDEN, [redacted] (first name unknown) [redacted] (first name unknown) [redacted]

T-1 indicated that MADOLE was the principal speaker and he spoke in favor of Egypt and against Israel.

He stated that MADOLE praised Premier NASSER of Egypt and spoke against the Jews in America and Israel.

He stated that [] spoke for about 15 minutes attacking the United Nations and that RUDDEN spoke about ten minutes praising Senator MC CARTHY and General MC ARTHUR and instructing the people as to how they might write in their protest votes in the forthcoming election.

b6
b7C

The informant added that this meeting was orderly and no incidents transpired.

T-1 indicated on December 7, 1956, that MADOLE had prepared and distributed an announcement entitled, "The National Renaissance Party Sponsors a Second Major Political Rally to Oppose American Participation in a Third World Bloodbath," which indicated a Party meeting to be held on December 13, 1956.

T-1 indicated on December 20, 1956, that the NRP held a meeting on December 13, 1956, at Nola Studios, New York City. He said that only 13 people attended, including JAMES MADOLE, GRACE MADOLE, JOSEPH RUDDEN and ETHEL CROOKES. T-1 stated that MADOLE was very upset with the small attendance and indicated that he had mailed 700 leaflets announcing this meeting.

He indicated that MADOLE praised HITLER and Premier NASSER, as well as the Arab states. He also spoke against Israel and the act they had committed with France and England against Egypt. The informant stated that JOSEPH RUDDEN also spoke briefly at this meeting.

B. Publications

T-1 indicated on October 23, 1956, that JAMES MADOLE had indicated he had ordered 500 reprints of the

~~SECRET~~

N.Y. N.J.
July "National Renaissance Bulletin," which was being done by CONDE MC GINLEY. MADOLE stated this issue had already brought a profit of \$125 and that he had received an order for 125 copies from Florida.

The source indicated that MADOLE recently had received an article from EUSTACE MULLINS, leader of the Realpolitical Institute, a pro-nationalist organization, with address, Post Office Box 1785, Chicago 95, Illinois. He indicated this article was anti-Jewish and anti-Negro and entitled, "The American Mau Maus."

This source indicated that KAY LITTIG, MC GINLEY's secretary on "Common Sense," is ill and has advised MADOLE that they will no longer be able to mimeograph his "National Renaissance Bulletin's" for some time to come. *N.Y. N.J.*

This source added that this would mean a considerable financial loss to MADOLE inasmuch as he has been getting this printing done at wholesale cost by MC GINLEY.

T-1 indicated on November 19, 1956, that the September - October, 1956 issue of the "National Renaissance Bulletin" has been printed and is being distributed. He said this bulletin contains a reprint of an article which appeared in the December, 1953 issue of "Sign," a Catholic magazine.

He added this bulletin also contained an article entitled, "The Hidden Facts Behind the Zionists Intervention of Egypt," by JAMES H. MADOLE. He stated this article was anti-Jewish and that this bulletin also contained advertisements for several Egyptian leaflets.

He said this bulletin was prepared with the help and advice of BENJAMIN FREEDMAN who also gave MADOLE \$90 toward the cost of this publication. He said this bulletin was printed by KAY LITTIG at the office of "Common Sense" in Union, New Jersey.

Mr. SAM M. ENGELHARDT, JR., State Senator of Alabama and Executive Secretary of the Citizens Councils of Alabama, furnished SA [REDACTED] on November 28, 1956, the following literature which he had received from the subject organization:

b6
b7c

"National Renaissance Bulletin," dated December, 1952.

"National Renaissance Bulletin," dated January, 1953.

"National Renaissance Bulletin," dated January - February, 1954.

Mimeographed brochure entitled, "Jewish Anti-Semitism," which urged the reader to join the NRP.

T-1 indicated on November 2, 1956, that MADOLE had stated that he has arranged more than \$400 this year selling Egyptian literature which he has received free of charge and in turn has sold for a small fee. The informant said this literature has been distributed by MADOLE after he has placed the rubber stamp of the NRP, 10 West 90th Street, New York City, upon it.

He indicated the two most recent pamphlets were a 23 page booklet entitled, "Peace and War," and a 29 page booklet entitled, "Threats and Intimidation."

T-1 indicated on November 27, 1956, that apparently MADOLE continues to get large amounts of Arab literature from the Arab Information Center and he had intended to display a large amount of this literature for sale at the Nationalist Party headquarters until this headquarters was closed.

T-1 indicated on December 3, 1956, that FREDERICK WEISS had recently printed an article entitled, "Who Cares?" which is anti-semitic, anti-alien and anti-Negro. He stated that about 8000 of these pamphlets had

~~SECRET~~

~~SECRET~~

been printed and that WEISS had delivered a quantity of them to MADOLE, who indicated he would distribute about 300 of them in the South.

T-1 said that MADOLE did not indicate how these would be distributed but added that he would not be able to distribute them in the North as they might antagonize his Arab friends.

T-1 indicated on December 17, 1956, that MADOLE had received large quantities of pro-Arab and pro-Egyptian literature in recent months which he would distribute with the name of the NRP, 10 West 90th Street, New York City, and distribute through Party channels. T-1 stated that some of these booklets included the following:

"Egypt in the Suez Canal"

"The Suez Canal Question"

"Today's Egypt," which was prepared at the Egyptian Embassy in Washington.

"The Truth about Gamal Abdel-Nasser," prepared at the Press Bureau of the Permanent Mission of Egypt to the United Nations, New York City.

"White Paper on Nationalization of the Suez Maritime Canal Company," printed by the Government of Egypt in Cairo.

C. Other NRP Groups in the United States
and Association of the NRP with Other
Nationalist Groups

T-1 indicated on October 23, 1956, that JAMES
MADOLE stated he had been approached by [redacted]
with an offer to rent the front half of the store which
is occupied by the Nationalist Party, an anti-semitic,
neo-Fascist group in New York City.

b6
b7C

[redacted] indicated that half of the rent would
cost MADOLE \$22.50 per month and MADOLE would have use
of half of the window in this store.

b6
b7C

This source stated MADOLE is considering the
proposition and believes it would be a good opportunity
to display the Arab literature which the NRP is now
distributing. T-1 added, however, that it is doubtful
that MADOLE would agree to this offer inasmuch as he has
constantly refused in the past many offers to cooperate
with the Nationalist Party when it was led by WEST HOOKER.

NY 105-6112

~~SECRET~~

T-1 indicated on November 27, 1956, that MADOLE had finally decided to utilize the Nationalist Party headquarters for the display of his literature and had advanced his share of the monthly rent which amounted to \$22.50. However, the landlord of this building evicted the Nationalist Party in November and the headquarters are now boarded up and all the equipment has been removed. T-1 stated that it is probable that a few of the Nationalist Party members will become closely associated with JAMES MADOLE and the NRP.

T-1 indicated on December 26, 1956, that there is no indication that MADOLE has attempted to establish any other NRP groups outside New York City or that the NRP has sought to associate itself with any other nationalist groups in the United States.

THE BLACK RECORD OF WORLD JEWRY IN GERMANY
James H. Madole

The National Renaissance Party has steadfastly sought to educate and train both its members and supporters concerning all phases of the doctrine of racial nationalism which must ultimately serve as a vital counter-revolutionary force against the intellectual brain-children of World Jewry; namely, World Bolshevism and liberal democracy. This struggle to rekindle the flame of Western civilization and culture is being carried out on a world-wide scale and our party is in close contact with racial nationalist and syndicalist groups and publications throughout South America, Europe and the Middle East. Just as the Jewish-inspired Communist and Zionist movements are invariably organized on an international basis in order that information and activities of their branch organizations in each nation may be correlated in accordance with a single master-plan or blueprint, so must an Internationale subservient to the doctrine of racial pride and national patriotism be created and function.

Resurgent nationalism is everywhere on the march. President Nasser's Egyptian government is spreading the roaring flame of anti-Jewish nationalism throughout the seven states of the Arab League; namely Syria, Lebanon, Jordan, Iraq, Saudi-Arabia, Yemen and Egypt. This mighty upsurge of national feeling has now spread to French Morocco, Algeria and Tunisia where the Moslem masses are now looking to Nasser's Cairo as their spiritual and political world centre. Germans, Italians and Spaniards who fought under Hitler, Mussolini and Franco to liberate the nations of Europe from the twin plagues of Soviet Communism and Western liberal democracy, both of which serve as a cloak for the unbridled political and economic exploitations of the Gentile masses by World Jewry, are now pouring into Egypt to renew their heroic struggle. The mighty hordes of Asian people who dwell in far-off Pakistan, India, Burma and Indonesia, having freshly emerged from colonial slavery have joined with the Pan-Arabic bloc of Nasser's Egypt to form a neutral political buffer zone between the vast Eurasian empire of Soviet Russia and the Western democracies.

The all important question which will determine the future of generations yet unborn lies in whether Soviet Russia or the United States can win the favor of this huge neutralist bloc of European, Middle Eastern and Asian nations. All these nations, with the exception of Yugoslavia, have suffered under the cruel yoke of British, French and Dutch colonialism and all are intensely nationalistic. This includes both Austria and Germany in Europe, both of which nations have become virtual slave colonies of American, British and French capital. Nearly all the nations of the neutralist bloc are united in their hatred of Israel which is supported jointly by American dollars and by German and Austrian reparations collected at bayonet point by Allied Occupational Authorities.

The peoples of Asia, Africa and the Middle East are well aware that Israel, created in an orgy of rapine, looting and butchery perpetrated by foreign Zionist Jews against the peaceful Arab herdsmen of Palestine, could not survive without the financial support of America and the colonial powers. The German people

The German people would not be blackmailed into paying another dime of forced reparations to the Zionist gangsters in Palestine were it not for American, British and French bayonets which have turned the proud German nation into a slave colony where in German toil and sweat is used to promote wealth for Israel. How can America reverse her suicidal foreign policy and once more gain the friendship and respect of the world? Our former position of esteem in the eyes of the world has been lost as a result of two disastrous World Wars in which traitorous American politicians used the vast natural resources, economic wealth and manpower of America in supporting the hated colonialism of Britain and France as well as to foster the vicious economic exploitation and nefarious revolutionary activity sponsored by International Jewry within the boundaries of all European nations.

Let us give serious consideration to the factors which led to the rise of such intense anti-Jewish feeling throughout Central Europe and the Middle East. What part did the Jews play in leading America to the support of Britain and France in World War I? We quote from the pamphlet, "GREAT BRITAIN, THE JEWS AND PALESTINE", by Samuel Landman, published in 1936 by the New Zionist Publications. Mr. Landman was Secretary of the Joint Zionist Council of the United Kingdom in 1912:

"During the critical days of 1916 and of the impending defection of Russia (Referring to Czarist Russia's defeat by the Kaiser's Army), Jewry as a whole, was against the Czarist regime and had hopes that Germany, if victorious, would in certain circumstances give them Palestine. Several attempts to bring America into the war on the side of the Allies by influencing Jewish opinion had failed. Mr. James A. Malcolm spontaneously took the initiative to convince, first of all Sir Mark Sykes, Under-Secretary of the War Cabinet, and afterwards M. Picot, of the French Embassy in London, and M. Gour of the Quai d'Orsay (Eastern Section), that the best and perhaps the only way to induce the American President (Woodrow Wilson) to come into the war was to secure the cooperation of Zionist Jews by promising them Palestine, and thus enlist and mobilize the hitherto unsuspectedly powerful forces of the Zionist Jews in America and elsewhere in behalf of the Allies on a quid pro quo contract basis. Thus, as will be seen, the Zionists having carried out their part, and greatly helped to bring America in, the Balfour Declaration of 1917 was but the public confirmation of the necessarily secret gentlemen's agreement of 1916 made with the previous knowledge, acquiescence and/or approval of the Arabs and of the British, French and other Allied governments."

To further prove Jewish culpability in dragging the American people into the bloodbath of World War I and laying the groundwork for anti-Jewish feeling in Central Europe we quote from "WOODROW WILSON, DISCIPLE OF REVOLUTION" by Jennings C. Wise:

"Jewish influence had much to do with Wilson's initial anti-Entente bias. Later it influenced him in the opposite direction. The Jewish backing he enjoyed in 1916 (the presidential election) constitutes strong circumstantial evidence that Wilson had subscribed, at least tentatively, to the British deal with the Zionists...The fact that it was Jewish help that brought the U.S.A. into the war on the side of the Allies, has rankled ever since in German, especially Nazi minds, and has contributed in no small measure to the prominence which anti-Semitism occupies in the Nazi program."

Not satisfied with dragging America into world War I in order to secure the interests of Zionist Jewry in Palestine, World Jewry also sought to establish a Hebrew monopoly over the wealth and resources of Central Europe. The terrible inflation of German currency which followed the debacle of World War I in Germany and Austria caused at least 800,000 people to die of malnutrition. A teeming horde of Jewish vultures descended like a plague upon this misery-laden people buying up their property, stores, factories, works of art, newspapers, family titles, even, in many

cases, the bodies of their young daughters with valuable foreign currency. Homes and birthrights were sold for a fraction of their true value and when the inflation finally was dispelled the German and Austrian people looked about and found all their stores, property, factories, offices, newspapers and land in the avareicious hands of a totlly alien and repulsive race of people. We quote the English writer, Ellis A. Bartlett in his book, "THE TRAGEDY OF CENTRAL EUROPE":

"Among this conglomeration of nationalities and creeds (in Vienna) the Jew stood out prominently and dominated every situation. Jews of every nationality were to be found amongst this cosmopolitan throng and as the Jew knows no frontiers except the faith of his co-religionists, he was generally first in possession of news, true or false, and was thus able to control the great speculative market...One only sees the Jew in his real element during these world catclysms. It is only then that his peculiar qualities have full scope for their employment. Thus, dying Austria became the happy hunting ground for the Jewish vulture although foreign "Hans Vogels" were plentiful...The little Jews swarmed over Vienna and devoured its decaying remains like flies round a raw steak on a hot summer's day. One could scarcely walk in the street without treading on them. The city, its institutions, finance and material wealth crumbled in their hands and they crowded out the hotels, restaurants, cafes and shops.

Another English author, Arthur Bryant, writes as follows of conditions in Germany after World War I in his book, "UNFINISHED VICTORY": "The change in the distribution of German wealth that followed this great disaster (the inflation) amounted to nothing less than a revolution...the chief gainers were those who had been able to command foreign currency...It was the Jews with their international affiliations and their hereditary flair for finance who were best able to seize such opportunities. They did so with such effect that even in November, 1938, after five years of anti-semitic legislation and persecution they still owned, according to a "London Times" correspondent in Berlin, something like a third of the real property in the Reich. Most of it came into their hands during the inflation. Authorship in Germany seemed to have become a kind of Hebrew monopoly."

In concluding our detailed study of economic conditions in pre-Hitler Germany which gave root to a tremendous upsurge of righteous anti-Jewish feeling, we would like readers to compare the following account from the "SONNE UND ZUKUNFT", Catholic weekly of Vienna, Austria, edited by Dr. Joseph Eberle, in the issue of Nov. 13, 1932 with conditions in present day America. We quote from the article by Dr. Eberle:

"Today Catholics are almost completely silent about the question of Judaism, though Jewish influence, not only in Russia, (where Jewish radicals like Trotsky, Zinoviev and Kamenev had set up the first Red government in 1917) Hungary, Poland, France, England, America and Austria but also in Germany has attained a degree of power and might altogether out of proportion to the number of Jews in the total population of these countries. Three-fourths of the large banking concerns, at the head of which we must place the 4 big D-Banks---Deutsche Bank, Darmstädter Bank, Diskonto-Gesellschaft and Dresdener Bank---three-fourths of the big exchanges, including those of Karstadt, Tietz & Wertheim etc., three-fourths of the leading newspapers, of the publishing firms, of the telegraphic and advertising agencies, of groups controlling theatres and cinemas are Jewish."

In Austria, matters are still worse. Of course, there are still many non-Jewish industrial magnates, but they are becoming more and more subservient to banks directed by Jews. There are certainly still to be found rich landed proprietors and wealthy financiers who are Christians, but so far as the direction of economic affairs is concerned, they are without influence, in comparison with Jewish financial magnates, such as Charles Furstenberg, Dr. Solmsen, Marmuroth, Bleichroder, Speyer-Ellissen, Soberheim, Landau, Freiherr von Oppenheim, Warburg etc. There are still influential Catholic publishing firms, but even firms like those of Herder and Kosel-Pustet are

much inferior to the Jewish publishing firms of Ullstein, Mosse, Cassirer, E. Goldschmidt etc. There are certainly many non-Jewish writers, nevertheless we learn from statistics of the publishing business that, in Germany, foreign and Jewish authors are more widely read than German and Christian authors. (We have only to examine the display of pornographic filth and books glorifying sexual perversion in any New York book store window, not to mention the literary garbage on our news-stands to see the parallel between life in pre-Hitler Germany and America in 1956.) It can be established also that the best known non-Jewish men of letters, as for example, Gerhardt Hauptmann and Sudermann, owe their literary success to their friendliness toward Judaism. Such is the intellectual and economic power and influence of the Jews in Germany today. And yet the Catholics in great measure keep silence about the matter. The silence is, in part due to ignorance, especially in the provinces. But it is also due to an already existing dependence on Jews. Three-fourths of the Christian newspapers would be reduced to one half of their present size, if they were compelled to give up the advertisements of Jewish shops and banks, and Jewish advertisements would not be forthcoming if the Jewish Question were treated of."

Americans have received from their daily press a completely one-sided report of events leading to the rise of Adolf Hitler and National Socialism in Germany just as they have been presented with obviously biased reports concerning the Franco regime in Spain, Peron in Argentina, the Apartheid policy of the South African government, the Nasser regime in Egypt and racial segregation in our own American South. The American press, cinema, TV, and radio are dominated exclusively by Jewish thinking and Jewish advertisers whose interests never have and never will coincide with the interests of the American people. Over the last 50 years the American people have been subjected to the most vitriolic and unprecedented "Hate Campaign" in the annals of human history. This campaign has been levelled at both the German people and the German nation as a whole, collective unit. Americans have been sold on the idea that the German people are "Twentieth Century Huns", barbarians who loot and massacre without justification, and that German-Americans are carriers of the plague of Prussian militarism and hence not to be trusted in either private industry or government service. Considering that American bombers slaughtered with phosphorus bombs at least 140,000 refugees seeking sanctuary in Dresden during the course of a single night, not to mention the mass slaughter at Hiroshima and Nagasaki when Japan was rendered helpless to resist, talk of Germanic barbarism becomes rather ridiculous.

Let us study the actual conditions which prevailed after the Allied Armies had destroyed Germany a second time in a single generation. We find tremendous numbers of Jews who had fled to Soviet Russia or the United States from Nazi Germany, carrying with them both the wealth they had gleaned from the German population during the inflation-period described earlier as well as gruesome fairy tales about six million Jews fried in ovens. Judging from the "WORLD ALMANAC" there were less than 600,000 Jews resident in Germany at the time Hitler came to power in 1933. Most of these alleged victims of Nazi barbarism fled to the new "Jewish Heaven" in America where, with the aid of innumerable Jewish defense and refugee organizations, they were miraculously resurrected from the flames of Dachau and Buchenwald. These German, Austrian and Czechoslovakian Jews waxed fat on the riches of America taking good-paying jobs and buying up stores belonging to Gentiles who were enlisted in the American Army. When these soldiers returned to American shores they found what the Germans had discovered after World War I; namely, that their land, property and means of livelihood had passed into the hands of alien Jews, in fact, the very Jews whose lives had been supposedly snuffed out in the gas-chambers of Hitler's Europe. These German Jewish refugees, with the aid of their American brethren, were the primary source of agitation for American involvement in World War II. They collected fortunes and lived in luxury on the profits of black-market deals and stock exchange speculation while American boys were fighting in the hell-holes of Europe to "liberate the persecuted Jews of Europe".

Once Hitler was crushed new hordes of Jews, with the help of HIAS (Hebrew

Immigrant Aid Society) and various Allied relief organizations, poured into prostrate Central Europe from Russia and the East. These people knew that Jews enjoyed a preferential status under the Allied Occupational Authorities because of the alleged suffering they had undergone during the Hitler regime. These Eastern Jews, many of whom had never resided in Germany, came to Central Europe with the help of their Western brethren to enrich themselves by black market dealings and by peddling information from Austria and Western Germany to the Soviet Authorities in the East. These are the very same East European Communist Jews who are now fleeing to the West under the guise of HUNGARIAN REFUGEES from Red tyranny. In the period 1945-1952 the same Jews were the strongest supporters of the Red regimes in Poland, Hungary, Czechoslovakia, Roumania and Bulgaria. Most of these regimes were infested with Jews. Even Representative Walter now admits, as we stated in the last issue of the NRP Bulletin, that most of the Hungarian refugees fleeing to the West are former Reds. He neglected to mention, as we did, that they were also Jews.

Germany became a slave colony of American, British and French capital after World War II. The Jews became the chief taskmasters and tormentors of the German people, who were forced to pay reparations to Israel for crimes which were never committed. German labor became slave labor under the Allied whip. The money and equipment sent to Israel was used to enslave or massacre the Arab population. Germans were forced to choose between starving with their families or serving in the French Foreign Legion against patriotic fellow-nationalists in Algeria and Morocco. The big Jewish department stores have all been rebuilt with Marshall Plan money in Duesseldorf, Cologne, Munich and West Berlin. These institutions are now referred to as Kaufhof (Merchandise marts) rather than bearing the names of their Jewish owners as in the case of Wertheim & Teitz in pre-Hitler Germany. The Jewish banking house of Oppenheim is bragging that it has more power than ever before. This is the same Oppenheim family which financed Marcus Friediger, general manager of the Friediger's Hotel Corp. and head of the powerful Zionist organization in Germany before Hitler. The Oppenheims suffered no loss and are now back doing business at the same old star. M. Kampinski, a Polish Jew who never had a German hotel was given Marshall Plan money to build a luxury hotel on West Berlin's main thoroughfare, the Kurfuerstendamm while in Frankfurt-on-Main the Koelner-Hof Hotel, whose owner wouldn't admit Jews even before Hitler came to power was refused the money to rebuild his hotel for 10 years because all leading German banks are, once more, in Jewish hands. We present herewith a listing of just a few major German firms controlled by Western and Jewish capital:

AMOUNT OF FOREIGN CAPITAL INVESTED IN GERMAN FIRMS IN BILLIONS OF DEUTSCHMARE

1. Deutsche Shell AG	200 million DM'S	Royal Dutch Shell (London)
2. Elektrokoncern AEG	165 million DM'S	General Electric (NY)
3. Benzin-Petroleum	89 million DM'S	British Petrol
4. Esso AG (Hamburg)	137 million DM'S	Standard Oil (Rockefeller)
5. Fordwerke, Koeln-Niehe	72 million DM'S	Ford Co. (Michigan, USA)
6. Knorr AG (Heilbronn)	12 million DM'S	Corn Products (NY)
7. Opel, (Ruesselsheim)	200 million DM'S	General Motors (USA)
8. Phoenix-Gummi, (Harburg)	20 million DM'S	Firestone Tire (USA)
9. Margarine Union, (Hamburg)	130 million DM'S	Unilever Co. (London)

Thus just as the Khedive of Egypt lined his pockets with Rothschild gold, by permitting the construction of the Suez Canal, and lived in plenty amidst his starving and broken people so the traitor Adenauer enjoys life while his people toil and labor to maintain reparations for the Jews in Israel. The Egyptian Khedive, and later King Farouk, permitted tens of thousands to die and millions to live in misery while they grew fat on their share of foreign profits from the Suez Canal. Adenauer does the very same by implanting a guilt-complex concerning crimes never committed in the heads of his German subjects. THE DAY OF JUSTICE DRAWS EVER NEARER FOR MEN WHO SELL THEIR FELLOW-COUNTRYMEN INTO THE SHACKLES OF JEWISH BONDAGE.

AN URGENT APPEAL FROM PATRIOTS IN TENNESSEE

Fifteen patriots who dared to speak up on behalf of maintaining racial segregation in the Clinton, Tennessee High School were arrested by Federal Marshals and led from their homes in chains. The pro-integrationists in the Federal Government will bring these men and women to trial in Knoxville, Tennessee on January 28, 1957.

We have received urgent appeals for financial help from Raymond Wood, one of the defendants, and Clyde King, Chairman of the Tennessee White Citizens Councils. Any party member who wants to help should send their contribution to: TENNESSEE WHITE CITIZENS COUNCILS, BOX 1323, KNOXVILLE, TENNESSEE.

NATIONAL RENAISSANCE BULLET

Official organ of the NATIONAL RENAISSANCE PARTY devoted to a restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice.

Published in New York, N.Y.

January, 1957

Volume 8, No. 1

"According to the theory of equality all things are equal. Since all things are unequal, the theory is untenable. But the idea of equality in human relations persists. It appeals to the idealist and humanitarian, as well as to the masses. Since in mental capacity and character there are comparatively few exceptional men, those who do not possess superior gifts are either jealous of those who do, or they are perfectly willing to assume that superior people have been more successful or have achieved leadership because of "pull" or through chicanery. In a word, the philosophy of all men being equal appeals to the average man. The doctrine of equality has a popular appeal."

"The point is that whatever government a country may have, the citizens of that country are entitled to justice and to an impartial enforcement of its laws. And, of course, there should be an equal opportunity to "rise". Beyond this equality natural equalitarian rights cease to exist. In equality is the rule of reason and a natural condition. One writer speaks of the "American dream of equality". Some Americans may have this dream but most of them do not. Americans do not dream of equalizing. They dream of surpassing. Americans are individualists, and they think about how they can succeed -- how they can get ahead of the other fellow. This is the true American dream, it has brought about the American way of life."

"The white race is a highly specialized type, and is differentiated in varying degrees from other varieties of homo sapiens. The blending of all races into one race is against the law of evolution. If through social and ideological pressure we attempt to change the course of nature by producing a race of men in which all would be equal in color, in aptitudes, in physical appearance and in mental ability, we will have brought down to a dead level those highly specialized human beings, who in the course of their evolutionary progress, have evolved a superior civilization. The whole world would suffer if the Caucasian race---with initiative, with inventiveness, with superb intelligence, with high moral conceptions and idealistic philosophies---if the race which produced superior men is to be weakened by the introduction into its blood-stream of the genes of an inferior stock. For the white race to submit to this process is to commit race suicide."

"THE CULT OF EQUALITY"

OFFICIAL U. S. GOVERNMENT REPORT PROVES MENACE OF RACIAL INTEGRATION.

James H. Madole.

One of the most amazing reports to be produced by an official Congressional Committee was turned out in an analysis of results of forced integration of the public schools in Washington, D. C, made by a sub-committee of the House Committee on the District of Columbia and released on December 28, 1956. A complete breakdown of this report, including the material quoted herein, can be found in the January 4, 1957 issue of "U.S. NEWS & WORLD REPORT", pages 92-100. Public schools in Washington, D.C. were officially integrated on May 25th, 1954 hence this report depicting the terrible situation in our nation's capitol represents the aftermath of two years of experimentation in seeking to blend semi-literate, primitive and

frequently sexually diseased Negroes in the same educational environment with White children from average American homes. The lives, morals, health and general welfare of tens of thousands of White American youngsters were used as guinea pigs by the rotten brood of political harlots serving on the Supreme Court and in the once hallowed halls of Congress. The lives and morals of young children must be offered up in appeasement by our corrupt politicians in order that they may receive gold and votes from the highly organized Jewish and Negro voting blocs in their home states and communities. What price democracy?

The Congressional Committee investigating the failure to create in Washington, D. C. a successful showcase and model of racial integration and interracial brotherhood was horrified to find itself the object of bitter attack and criticism by every major Jewish and Communist dominated organization and periodical in the United States. Principals and school-teachers who offered to appear as witnesses before the Committee were intimidated and threatened with bad publicity, notoriety as "hate-mongers", racists, bigots etc. and termination of their teaching careers if they appeared to give truthful testimony concerning the shocking conditions under which they were forced to work. The age-old tactics of the American Jewish Committee and the Anti-Defamation League of B'nai B'rith were put to work once more. Scare them into silence was the order of the day. We quote directly from the Committee Report:

"A mass meeting sponsored by the NAACP (National Association for the Advancement of Colored People financed by the Jewish financier Arthur Spingarn) was planned and held to protest the investigation. During the course of the hearings the portestants, apparently fearful of the impending revelation of the truth, made a vigorous effort to halt the proceedings. Entreaties were made to President Eisenhower, presidential candidate Adlai Stevenson, Republican Chairman Leonard Hall, Democratic Chairman Paul Butler, Speaker Sam Rayburn, House Leader John McCormack, and all members of the House District Committee, vigorously urging them to use their influence in preventing the subcommittee from functioning in its legitimate endeavor to gather information heretofore withheld from the Congress and the public."

"Immediately after Mrs. Elva C. Wells, principal of Theodore Roosevelt High School, testified before the committee, Wesley Williams, a Negro member of the District board of education, issued a public statement suggesting that Dr. Corning "should re-examine the competency of some of the principals" who appeared at the hearings. (Dr. Corning refers to School Supt. Hobart S. Corning of Washington, D.C.) He said that some had "made severe admissions of inadequacy." (ED. NOTE: Mrs. Elva Wells had told the committee that reporters from Eugene Meyer's "WASHINGTON POST" had come to her school to take pictures of Negro honor students at the graduation exercise. Upon being told that there were no Negro honor students they portrayed no interest in the White honor students and refused to print a story on the White youths who had won scholarships to Dartmouth, Harvard, Cornell and Princeton. Meyer's leftist rag is the leading Jewish daily newspaper in Washington, D. C. and has consistently plugged the cause of racial integration.)

We now quote that section of the government report entitled, "EFFECT OF SCHOOL INTEGRATION ON POPULATION": "One situation of great concern to the nation is the fact that the white population is leaving Washington. The records show conclusively that the elementary-school population was increasing after World War II until the first steps into integration were taken into public housing and other fields. At the first threat of integration the white residents began to leave. The exodus of white residents from the District of Columbia was accelerated by the persistent agitation for school integration which culminated in the ruling by the Supreme Court. The subsequent establishment of school boundaries, which resulted in forcing the mixing of White and Negro students, caused a great many of the White residents to move to the suburban areas and into the States of Maryland and Virginia. Many have enrolled their children in racially segregated private schools. (Ed. Note:

This includes President Eisenhower's grandson. How unfortunate that Eisenhower's grandchild should be spared the mental anguish of low-income White families who cannot afford to either move from Washington or pay the high tuition rates demanded by private schools. Eisenhower and the gangster politicians of the Democratic and Republican parties can well afford to keep their precious little darlings out of Washington's integrated pig-sties by using the tax money which they swindle out of the American public each year to buy up luxurious homes in nearby Delaware, Maryland and Virginia.) "This exodus is continuing at this moment, according to the testimony of school personnel, and there is a prediction that, in the not-too-far distant future, the District of Columbia will be a predominantly Negro community." (ED. NOTE: A nice prospect for future visitors, both foreign and domestic, to our nation's capitol. How long before our citizens reign and domestic, to our nation's capitol. How long before our citizen's rebel and stamp out the last vestige of this rotten "democratic" system of government?) "Where there were a few years ago 59,582 White students and 33,498 Negro students, the school census of October 21, 1955, disclose that there was a school membership of 38,768 White students and 68,877 Negro students. The school census of October, 1956, clearly indicates the continued exodus of the White residents from the District of Columbia. This census shows that the school population is now 34,750 White students (32%) and 73,723 Negro students (68%)."

We quote that section of the Report entitled, "SOCIAL ACTIVITY, SEX PROBLEMS, AND DISEASE":

"The curtailment of normal social activities and the surprising sex problems were part of the price the people of the District of Columbia paid for an integrated school system. One of the dangerous and deplorable developments in the District of Columbia schools is the sex attitude of the Negro—even down into the lower elementary grades. The fact that 13 little Negro girls, six years old and under, were treated for gonorrhea in 1955 is only a sample of the sex attitude found in the District of Columbia today. Teachers in the integrated schools reported deplorable conditions in sex contacts in their schools. Reports of attempted rape, assaults, chasing girls and even teachers. Negro girls soliciting boys at school sex talk, and suggestive talking and attempted fondling of White girls, and innumerable sex affronts were reported by the school personnel. Illegitimate children born to 15-year old girls increased 42% during the first year of integration over the previous year. Very few Whites were involved. The increase for girls under 15 years of age was 23%. The Department of Health reported 854 cases of gonorrhea alone among school children in 1955--97.8% were Negroes."

In conclusion we quote the "CONCLUSIONS & FINDINGS" of the Congressional Committee:

- A) "The forced integration of the schools in the District of Columbia greatly accelerated an exodus of the White residents to the suburban areas of Virginia and Maryland. The present exodus seriously threatens the educational, economic, cultural, religious and social foundation of the District. If the exodus continues at the present rate, the District will become a predominantly Negro community in the not-too-distant future."
- B) "The integration of the schools in the District of Columbia has focused attention upon the differences in ability to learn and educational achievement between the average White and Negro students, as reflected by the national standardized tests."
- C) "The majority of White principals and teachers faced the challenge presented by integration with high morale, cooperation and determination. At the outset many felt that integration was correct. After two years of trial, many of these same principals and teachers testified that the integration of the schools has been shattered, their health has been impaired, and some have separated themselves from the school system by resignation and early retirement. The replacement of these teachers presents a very serious problem to the District schools because

White-teacher applications have declined materially.

- D) "Discipline problems and delinquency resulting from the integration of the schools have been appalling. It was unexpected and came as a great shock."
- E) "Sex problems in the predominantly integrated schools have become a matter of vital concern to the parents. One out of every four Negro children born in the District of Columbia is illegitimate. The number of cases of venereal disease among Negroes of school age has been found to be astounding and tragic. The Negro has demonstrated a sex attitude from the primary to high-school grades that has greatly alarmed White parents and is a contributing cause of the exodus of the White residents of the District of Columbia. The integrated schools have found it necessary to curtail greatly, and in many cases eliminate completely, social activities formerly considered a vital element in the education of students in the segregated schools."
- F) "On the average, the Negro students, because of limited achievements, are unable to compete scholastically with the more advanced White students. This condition imposes upon the slower students a psychological barrier denoting inferiority, and manifests itself in social misbehavior."
- G) "The committee concludes that the integrated school system of the District of Columbia is not a model to be copied by other communities in the United States. On the contrary, it finds that the integrated school system in the District of Columbia cannot be copied by those who seek an orderly and successful school operation."

The above mentioned government report on the failure of school integration prompted four Congressmen, James C. Davis, John B. Williams, Woodrow W. Jones and Joel T. Broyhill, to recommend the restoration of a segregated school system in Washington, D. C. as soon as possible. We urge our followers to write to these Congressmen at the U.S. House of Representatives, Washington, D. C. and commend them on their forthright stand.

The tragic results of attempting to forcibly mix races with totally diverse mental and cultural backgrounds is well summed up by Stuart C. Landry in his book "THE CULT OF EQUALITY" as follows:

"The theory of equality is a communistic theory. It reduces all to a dead level. From a racial standpoint, the practical effect of the general acceptance of this theory, when it is carried out to its logical conclusion, is the merging of all the peoples and races of the world into one race. That such a desideratum would be to the advantage of the human race I deny. In fact, many disadvantages would arise therefrom as follows:

1. The elimination of the superior race which has given us our modern civilization
2. The cultures of the more advanced races would deteriorate.
3. The mixing of one billion and a quarter of ignorant, unprogressive and poverty-stricken people, some of whom are still savage, and most of whom are of a primitive type, with three-quarters of a billion educated, progressive people enjoying a high standard of living, would reduce the latter group to the low level of the majority, and possibly wipe out altogether our occidental civilization.
4. Physically, the mingling of all colors, including the Whites, into one race would make no difference, common sense tells us that it would be a biological mistake.
5. The amalgamation of all the races of the world would undoubtedly reduce the intellectuality or the general intelligence of human beings to a lower average. To dilute or bring down to a lower level the mental capabilities of a group of superior people would certainly be disadvantageous and harmful to the future progress of the human race.

"The theory that all races are equal leads logically to amalgamation. If there is no prejudice or feeling of white-skinned peoples against those with more pig-

in their skin, they will not hesitate to intermarry. If the various races intermarry, in the course of time the inhabitants of the whole world will be of one color. This may be desirable from the standpoint of the darker-skinned peoples, who will, no doubt be glad to lighten their skins, but in order that their skins be lightened the White race must suffer its skin to be darkened. A superior breed is thus to be contaminated by interbreeding with an inferior one. No breeder of animals would weaken the strain of his superior stock by crossing them with inferiors. Blooded dogs would lose their points if crossed with curs. Race horses would lose their speed if bred with ordinary work horses. The Caucasian race is a blooded stock among the races of mankind. Why injure it by crossing it with a common stock? Such a procedure could only aid the inferior strain at the expense of the superior."

THE SINISTER PLAN BEHIND EISENHOWER'S "MIDDLE EAST DOCTRINE"

James H. Madole.

Both American nationalists and Arab League diplomats should beware of the sinister plot behind Eisenhower's "Middle East Doctrine" which has just been passed by the United States Senate. It should be remembered that the great majority of both Democratic and Republican senators were completely and irrevocably opposed to imposing economic sanctions against Israel for her refusal to withdraw Israeli troops from the Gaza strip and the Gulf of Aquaba. Senators William Knowland, Sam Rayburn and Estes Kefauver, representing senatorial leadership in both major political parties, vied with each other in denouncing the proposed sanctions against Israel for her refusal to withdraw Israeli troops from the Gaza strip and the Gulf of Aquaba. Senators William Knowland, Sam Rayburn and Estes Kefauver, representing senatorial leadership in both major political parties, vied with each other in denouncing the proposed sanctions against the Israeli aggressors as "an immoral act". These very same politicians who were bending over backward to obtain the American Jewish voting bloc for their respective political parties and were heaping abuse on Eisenhower and Dulles for their support in the United Nations of economic sanctions against Israel ARE NOW ABSOLUTELY UNITED IN THEIR SUPPORT OF EISENHOWER'S "MIDDLE EAST DOCTRINE". WHY?

Three mighty forces are struggling for supremacy in Europe, Africa and Asia. The force of corrupt, Jew-ridden Western democracy represented by America, France and England serves as the economic bulwark of the illegitimate state of Israel in the Middle East. Without the tremendous amount of revenue raised by American Jewry through the United Jewish Appeal and the sale of "Israel Bonds" as well as the forced reparations from the Bonn government in Germany which will amount to \$830,000,000 in the next twelve years, the state of Israel would collapse financially like a pricked balloon. Russian imperialism is the second force at work in the middle East and Africa. Russia will gladly supply war equipment in return for economic and political penetration of these nations recently emerging from the shackles and illiteracy of French and British colonialism. The third and most noble of these forces is the force of neutralism with its present world centre in Cairo under the inspired leadership of President Gamal Abdel Nasser of Egypt. One of the highest endorsements for Nasser's regime is the fact that, since the death of the late German Chancellor, Adolf Hitler, World Jewry considers this devout Moslem leader as "the most hated man in the world."

Just as World Jewry found it necessary to embroil the Western democracies in the bloody holocaust of World War II in order to stamp out the flame of anti-Jewish feeling which was sweeping Europe as a result of Nazi revelations concerning the revolutionary agitation and pro-Communist activities of this racial minority throughout the world; so today the Zionist element of World Jewry finds that President Nasser must be destroyed to pave the way for potential Israeli expansion at the expense of neighboring Arab states. First they stirred up a hate campaign in the press of America and Western Europe depicting Nasser as "another Hitler" and simultaneously as "a tool of the Communists". Politicians in all "democratic" nations were told to vilify Nasser and praise Israel if they wanted Jewish votes.

To conclusively prove how Jewish nationals were used to pressure American politicians we quote a broadcast from Jerusalem on April 9, 1954 by Yeshayahu Klinov, Jewish Agency Public Relations Officer, calling for political pressure by American Jewry on all issues favorable to Israel:

"Why should we fear a Jewish vote? It exists anyway whenever we are facing an emergency. We hope that it exists. Jewish Committees in American parties do not constitute a violation of the principles of the American Constitution or American traditions of liberty. On the contrary, let the Democratic Party and the Republican Party realize that their Jewish members are organized not only as Americans, but also as Jews who have vital Jewish interests. Let the American people and government feel the pressure and realize what millions of American citizens think about the present antics around us here in Israel. The idea of Jewish unity, which we formerly considered good for Russian, Polish, and German Jewry, cannot be bad in America."

When the German government organized the German-American Bund in the United States and ordered Americans of German descent to swear an oath of allegiance to Chancellor Hitler, the U.S. Attorney General's Office cracked down on the Bund and sent its leader Fritz Kuhn to prison. The German-American Bund was subsequently declared a subversive organization serving the interests of a foreign power. Several Japanese and Italian societies suffered the same fate. IS ANYONE STUPID ENOUGH TO BELIEVE THAT EVEN ONE AMERICAN ZIONIST OUTFIT WILL SUFFER THIS FATE? Yet the Zionists can even sell bonds for a foreign state on American soil and call on American Jews to pressure our politicians into using American foreign policy and manpower to implement Israeli aggression against our former Arab friends in the Middle East. What price Israel? The cost includes American honor and integrity which have been sacrificed by our democratic politicians for Jewish votes at election time.

Thus we find the Western democracies, by virtue of the fact that organized economic or racial minority pressure groups determine the political destiny of these states by nominating and electing teeming hordes of mediocre weaklings and willing pawns to public office, serving as tools of International Jewry. In the December, 1956 issue of the "NATIONAL RENAISSANCE BULLETIN" we pointed out how World Jewry was enlisted on the Allied side in World War I by an agreement between the British government and powerful American Zionist leaders which led to President Wilson's leading America into "The War to End all Wars" on the side of England and France and ultimately to the signing of the Balfour Declaration granting World Jewry the right to a national home in Palestine. Further proof of these dastardly deeds perpetrated behind the backs of the American, British and Arab peoples is furnished by the "Menorah Journal", an American Jewish monthly magazine in its issue of Feb., 1928:

"The objective was not merely to maintain the esteem and willing cooperation of President Wilson himself, but to permeate every avenue of his administration and the whole British service in this country, with a friendly understanding of Zionism.. So there was no fear of the outcome of the Peace Conference (the Versailles Conference of 1919). The avenues of approach had been carefully smoothed, enough Zionists were on duty in Paris to establish a ready contact wherever accurate information was needed, and every important member of the Wilson Commission had been deliberated with in New York before the Commission sailed for France...Nothing was left to chance."

The same pressure was brought on Mr. Lloyd George of the English delegation to the Versailles Conference. In his entourage was Mr. Lucien Wolf, whom the JEWISH GUARDIAN of June 11, 1920 referred to as "the man who fought for Jewish rights at Versailles". In this way the Arabs, who fought against the Turkish Ottoman Empire on the side of the Allied Powers in World War I, were sold out by English, French and American politicians in return for gold and Jewish votes. The Balfour Declaration did not promise the Jews a sovereign state in Palestine but merely the right to

settle Jewish refugees among the native Arab population. On September 21, 1919, Dr. Chaim Weizmann, then head of the Zionist Federation in America and later its first president of Israel, stated as follows:

"We said we desired to create in Palestine such conditions, political, economic and administrative, that in a given time, as short as possible, Palestine should become as Jewish as England is English, or America is American."

Dr. Eder, Chairman of the Zionist Commission in Jerusalem, went further still and declared: "There can be only one National Home in Palestine and that a Jewish one, and no equality in partnership between Jews and Arabs, but a Jewish predominance as soon as the members of that race are sufficiently increased."

Thus the World Zionist Movement used its tremendous political influence to inveigle President Woodrow Wilson into leading American youth to the bloodstained battlefields of Flanders and the Ardennes in World War I. England and France repaid their debt to World Jewry by signing the Balfour Declaration and betraying their Arab allies in the Middle East. The Zionist who directly influenced Wilson in his decision was former U.S. Supreme Court Justice Louis Brandeis. The Arabs, beginning in 1919, were gradually reduced to the level of slaves or undesirables in the land which their ancestors had possessed for over 2,000 years. Even the English government which sponsored the Balfour Declaration was dismayed by the rapacious actions of the new Jewish immigrants to Palestine. We quote from the Hope Simpson Report of October, 1930:

"Actually the result of the purchase of land in Palestine by the Jewish National Fund has been that land has been extra-territorialized. It ceases to be land from which the Arab can gain an advantage either now or at any time in the future. Not only can he never hope to lease or cultivate it, but by the stringent provisions of the lease of the Jewish National Fund, he is deprived forever from employment on that land...The principle of the persistent and deliberate boycott of Arab labour in the Zionist colonies is not only contrary to the provisions of Article 6 of the Mandate, but it is in addition a constant and increasing source of danger to the country."

Today we find British and French colonialism still linked with unbreakable ties to World Zionism and the state of Israel. British, French and American politics are still dominated by vast Jewish wealth and voting blocs. Eisenhower and Dulles were both well aware that the combined military strength of England, France and Israel was more than sufficient to crush the small nation of Egypt. Nasser was hated as much, if not more, by our Washington politicians than by their counterparts in London and Paris. Eisenhower held back America's military strength from the Suez venture only because America's power bloc. When Bulganin threatened to blast London with Russian atomic missiles if the invasion forces were not recalled from Suez, Eisenhower leaped to the defense of his former "democratic" allies of World War II. When Russia became ever more belligerent Eisenhower was forced to denounce the aggressive acts of England, France, and their little bastard, Israel. Eisenhower could not afford to turn all the nations of Africa and Asia against the United States and possibly force them into the Soviet orbit.

The three powers withdrew from Egyptian soil leaving a holocaust of unwarranted destruction behind in their wake. Premier Ben-Gurion absolutely refused to withdraw Israeli forces from the Gaza strip and the Gulf of Aquaba until Secretary of State Dulles called in eight of America's most wealthy and influential Jews and gave them "CERTAIN ASSURANCES". Immediately after this secret exchange of confidences the previously immovable Ben-Gurion reversed himself and ordered a withdrawal.

Eisenhower and the Zionist forces in the United States had contrived Eisenhower's "MIDDLE EAST DOCTRINE" whose ultimate purpose is the economic and political strang-

ulation of Egypt, Syria and Jordan. Both World Jewry and the Western democracies desire the complete and absolute destruction of President Gamal Nasser and the use of the Baghdad Pact nations to act as an instrument to establish American economic and political hegemony in the Middle East. The creation of a strong and prosperous Israel is part of this pattern. The visit of King Ibn-Saud to America was initiated in order to have the Arabian monarch exert influence on President Nasser of Egypt, King Hussein of Jordan and President Shukri-al-Kuwatly of Syria in behalf of accepting Eisenhower's financial aid as espoused in his "Middle East Doctrine". American leaders, with their Zionist mentors pulling the strings from behind the scenes, warned King Saud that he should join Saudi-Arabia to the Baghdad Pact or face possible loss of his American oil revenues. Other nations in the Western-sponsored Baghdad Pact are Pakistan, Iraq, Iran and Turkey. Iraq is ruled by the aged Nuri-Said, the Adenauer of the Middle East, who clings to the political coat-tails of Eisenhower and the Washington Zionist clique in order to preserve Iraqi oil profits and his own miserable hide from the righteous wrath of his own Iraqi people who are violently pro-Nasser.

When King Saud failed to sway the leaders of Egypt, Syria and Jordan into either joining the Baghdad Pact or immediately reopening the Suez Canal, Eisenhower decided to isolate these nations and split the Arab world. Premier Ben-Gurion expects American financial aid in building a new oil pipeline across Israel from the Red Sea to the Mediterranean, a feat which would render the Suez Canal obsolete and open the way for future expansion of the Israeli state. During the recent British-French-Israeli aggression in the Middle East there were hints of an agreement between Israel and Nuri-Said of Iraq to attack and divide up the Kingdom of Jordan. This agreement was said to have been arranged by the British.

While Eisenhower smilingly portrayed himself as the kindly, aged patriarch and benefactor of the Arab world, the Great White Father in the White House forgot to mention certain details of his activities. As example:

1. Immediately after the British and French troops withdrew from Port Said after slaughtering 8000 Egyptian civilians, the U.S. State Department refused an Egyptian request to purchase 200,000 tons of wheat and five million dollars worth of medicine in the United States for relief of that war-racked city. Strange, is it not, that Secretary of State Dulles is depicted by our Jewish Press as being in the service of the Arabs? Actions speak louder than words.
2. Shortly after Egypt's request for purchase of wheat and medicine was turned down, the same U.S. State Dept. granted Israel, whom Eisenhower had branded an aggressor, the right to purchase \$1.9 million dollars worth of surplus American corn.
3. Egyptian dollar assets amounting to nearly \$40,000,000 have been frozen in this country ever since the Suez Canal was nationalized by the Nasser government on July 26, 1956.
4. Vice-President Richard Nixon is now touring the three African nations of Ghana, Libya, and Ethiopia. All these nations are sought after as part of the anti-Zionist alliance in Cairo. Nixon is trying to woo them with promises of American gold in return for their isolation of the anti-Israel bloc led by Egypt. This action by Nixon creates still more animosity between America and the people of Africa and the Middle East who are forced to visualize American statesmen as traveling salesmen who work zealously drumming up business for a Jewish hock shop apparently located in the U.S. Treasury Building. A sad state of affairs when the proud American Eagle degenerates into a bloated Jewish buzzard offering American dollars as the price for national honor and integrity.

By ceasing our support of Israel and dealing honestly with the patriotic, nationalist regimes in Egypt, Syria, Jordan and the Arab League nations America could still win the eternal friendship and good-will of the people of Africa and Asia. We must prove our friendship, not by financial bribery, but by our actions, words and deeds. The American government must call a halt to Jewish sale of "Israel Bonds" in the United States. American Jews must be prevented from exerting the right of "dual citizenship" thus using American foreign policy as an instrument of the Israeli state.

In conclusion we are pleased to find that the Arab League nations are acting on the suggestion in our December, 1956 issue which stated that pressure should be exerted on the Bonn government of West Germany to halt reparations to Israel for "alleged atrocities" committed against German Jews by the Hitler regime. An AP Dispatch from Damascus, Syria of March 5, 1957 states as follows: "West Germany has turned down a joint Arab appeal to halt war reparations to Israel, usually reliable sources said today. The informants said the Arab states were reconsidering their political and economic relations with West Germany in the light of the rejection. West Germany is shipping Israel \$59,500,000 worth of goods a year."

The American controlled West German Press is full of praise for Israel and Premier Ben-Gurion but the great masses of the German people who suffered from Jewish economic exploitation, which has been enforced by the bayonets of World Jewry's French, British and American errand-boys in the Allied Occupational Authorities since 1945, would like to see both Israel and Ben-Gurion burn in the pits of hell. The Arabs would gain the eternal friendship of the German people by crushing economically the foul Jewish-dominated Adenauer regime.

NATIONAL RENAISSANCE BULLETIN

Official organ of the NATIONAL RENAISSANCE PARTY devoted to a restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice.

Published in New York, N.Y.
\$2.00 per 12 issues

March-April, 1957
Volume 8, No. 3

It is time that Americans realize that these teeming masses of Zionists who infest their cities and sit astride the arteries of their commerce are, in every sense of the word, aliens. They are aliens by choice and by tradition. They are aliens because they render their first allegiance not to the United States of America, but to their own so-called state of Israel."

"TENSION, TERROR and BLOOD IN THE HOLY LAND"
by the Palestine Arab Refugee Institution
Damascus, Syria

"Jews are a nation. If there was but a theological difference, would there be such striking distinctions in features and temper? To go to the synagogue instead of going to the church, does that change anything in the curve of the nose? We surely are a nation, a dispersed nation, but the most united nation in the world."

"DEBATABLE GROUND"
by G.B. Stern

ISRAEL, THE VAMPIRE-STATE OF THE MIDDLE EAST.
James H. Madole.

Bram Stoker, author of the immortal horror classic, "DRACULA", brought chills of nightmare terror to millions of readers and movie enthusiasts with his grim tale of a Hungarian Count who returned from the dead to prey on the blood of unfortunate human victims. By stalking the night in the form of a huge vampire bat Count Dracula maintained his life artificially by draining the life-blood from sleeping or hypnotized victims. While Stoker's vampire was strictly a product of the imagination, the vampire-state whose Jewish minions today stalk among the family of nations sustains its artificial national economy by systematically draining the nations of Western Europe and the Americas of valuable currency and merchandise. This issue of the "NATIONAL RENAISSANCE BULLETIN" will contain all the facts and figures proving that the Zionist element of World Jewry is using its privileged position as a "state within a state" to collect gigantic sums of tax-free currency from every nation in which Jews reside. We shall prove, nation by nation, that International Jewry has set up a world-wide network of so-called "charitable and fraternal" organizations, all of which enjoy a tax exempt status, whose dual purpose is to collect vast sums of tax-free currency for the economic maintenance of Israel as well as to exert political and economic pressure on governmental circles in America and Western Europe in behalf of Israel and her plans for aggressive expansion in the Middle East.

Since the actual establishment of the state of Israel in 1948 a sharp cleft has developed between the Zionist and Communist factions of World Jewry. During the period 1917-1948 the great majority of Jewish communities throughout the world were devout supporters of the Soviet regime in Moscow which had been established by Jewish agitators like Trotsky, Zinoviev, Kamenev and Goldmann and financed during the Red Revolution of October 1917 by leading Jewish bankers and industrialists like Jacob Schiff of Kuhn-Loeb & Co., the Warburgs and the Monds to the extent of \$20,000,000. During the 1920's-30's nearly all American Jewish leaders were sing-

ing the praises of Russian Communism which mercilessly starved or murdered 45,000,000 Russian Gentiles during this same period. Jewish leaders boasted of World Jewry's part in all the leftist revolutions of the past few centuries. We quote the book, "HOW ODD OF GOD" by Rabbi Lewis Browne:

"No agitators did more to bring in the revolution (French) of 1848 than the two Jews, Heinrich Heine and Ludwig Borne. It was a Jew, Leon Trotsky, who led the Red Army which saved the Communist cause in Russia. It was a Jew, Karl Liebknecht, aided by a Jewess, Rosa Luxemburg, who led the Spartacist insurrection in Germany. It was a Jew, Bela Kun, who set up the Red regime in Hungary. (Ed. Note: This Jewish sadist butchered 100,000 Hungarian Gentiles in 1919, his single year of power after which he fled Budapest pursued by a Hungarian-Romanian Army led by Admiral Nicholas Horthy.) It was a Jew, Kurt Eisner, who led the Socialist Putsch in Bavaria. To the Jew, revolutionary activity seems to be the one road to ultimate freedom."

The JEWISH CHRONICLE of London, April 4, 1919 spoke as follows: "There is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolsheviks. The ideals of Bolshevism are consonant with many of the highest ideals of Judaism."

When many Americans began to notice the obviously kosher stench emanating from beneath the mask of the Communist world conspiracy a roar of denials sprang from the American Jewish Committee, the B'nai B'rith and other prominent Jewish fund-raising organizations on this side of the Atlantic. To offset these denials the famed Rabbi Abba Hillel Silver wrote as follows in his book, "THE DEMOCRATIC IMPULSE IN JEWISH HISTORY", published in 1928:

"Jews are not Communists, is the burden of a panic-stricken statement issued jointly by Dr. Cyrus Adler, President of the American Jewish Committee; Alfred M. Cohen, President of the B'nai B'rith; and B. C. Vladeck, Chairman of the Jewish Labor Committee. These gentlemen hysterically deny that Communism is Jewish, and frenziedly repudiate Jews who are Communists. Their statement, concocted out of fear for themselves, libels Soviet Russia and lies about the Jewish people. Behind high-flown phrases lies a poorly veiled invitation to potential Nazis of America to pogromize Jews."

"Let us analyze their statement. The first attempts to show that the Jews of Germany and of other countries were not and are not Communists. The second, that Communism and the Soviet Union are themselves foes of Jews, and Judaism. It is possible that the heads of the American Jewish Committee, the B'nai B'rith and the Jewish Labor Committee have never heard of Litvinoff (Finkelstein, former Soviet Ambassador to Washington), of Yaroslowsky, Kaganovitch, Radek, Bela Kun? Jews who deny that many Jews are Communists are jockeying themselves into the position of citizens on toleration. That the authors of this piece of perfidy do not represent the masses of American Jews will be made abundantly clear. There must be a widening and strengthening of the united front against fascism (Gentile pride in their race and nationality). And, if by taking full part in the forging of this united front, the Jews of America write themselves down as Communists--SO BE IT."

The Communist element of World Jewry were the financial and intellectual backbone of the World Communist Movement. Without their constant agitation and financial sponsoring this diabolical ideology would have remained a mere social theory. These leftist Jews were true internationalists seeking to stir up the masses of labor against the European aristocracy and the capitalists. They urged the workers of Europe and America to abandon patriotism, nationalism, and racial pride in favor of "the international solidarity of the working class". These workers and peasants were misled in their false struggle by Jewish intellectuals and financed by the most rapacious Jewish capitalists in Western Europe and America. Thus we witness the absurd spectacle of a so-called "Workers Revolution" being en-

couraged, financed and organized by the Rothschilds, Warburgs and Schiffs. Actually International Communism under leaders like Trotsky, Radek and Bela Kun was merely a cleverly disguised Jewish scheme to mobilize the pent-up hatred of East European peasants and manual laborers against the Russian Czar and the Austro-Hungarian monarchy. By turning the hatred of millions of destitute and property-less peasants against the Slavic and Germanic aristocracy and land-owners, the Jew became, as leader and organizer of the Red Revolution, the sole controller of wealth and power in lands under the domination of the Soviet Red Star. The hordes of illiterate, hungry peasants broke into palaces and pleasure resorts seizing works of art, valuable tapestries, and handfuls of precious gems from their former Czarist masters, but of what value were these precious items to the illiterate peasant. All these fortunes were turned over to the Jewish Commissars in return for a sack of potatoes or a few stale crusts of bread. The Jew with his international contacts literally swam in a pool of gold looted from the murdered aristocracy of Eastern Europe.

After Stalin and his Pan-Slavic clique ousted Trotsky from power the influence of World Jewry in Soviet Russia began to slowly decline. Many of Russia's population of two million became assimilated into the Russian population. Stalin, himself, married the daughter of Lazar Kaganovitch, the head of the Soviet Politburo and leading armaments manufacturer in Russia. Molotov also married a Jewess. Jewish Communists began to lose their identity with the World Jewish community and began to preach the necessity of assimilation with the other nationalities absorbed by the Soviet Empire. Stalin and Khrushchev both preached the Pan-Slavic imperialism of the former Czars of Russia and during the course of World War II Stalin outdid himself with nationalist appeals to the Russian people urging them to save "Holy Mother Russia" from the German invaders.

While International Communism represents the left-wing of modern Jewish political thought, the Zionist Movement represents the right-wing which today dominates completely the Jews of Western Europe, Africa and the Americas. As World Communism gradually shakes off its Jewish heritage and becomes ever more dominated by Russian and Chinese imperial ambitions, Russian Jewry finds itself torn between the exclusively Jewish philosophy of Zionism and loyalty to the state of Israel as opposed to the original doctrine of Karl Marx and loyalty to the Russian masters in the Kremlin. Dual loyalty is not permitted behind the Iron or Bamboo Curtains as it is in the Western democracies. These democracies serve as the treasure house of Israel hence the Kremlin strongly suspects the loyalty of many East European Jews to the Russian State. Zionism, like Communism and Socialism, is an international movement whose avowed purpose is to fulfill the Talmudic and Biblical prophecies by returning all the Jews, now considered to be living in exile among the Gentile nations, to the land of Palestine. Their purpose is the creation of a Jewish State and toward that end Jewish children throughout the world are being imbued in their secular schools with the idea that World Jewry represents "GOD'S CHOSEN PEOPLE". Zionists are taught that their first loyalty must be to the Jewish state of Israel. All their economic and political influence must be used to force the governments of the West to support Israel against her enemies. We quote various Zionist leaders and organs in support of these statements. First we quote from the "JEWISH WORLD" of Jan. 1, 1909:

"Let us take the mask off. Let us play the Lion of Judah for a change. Away, away with false patriotism. A Jew can only recognize one Fatherland, Palestine." We quote Gerald Soman, the chairman of the World Jewish Fellowship in its official manifesto of Jan. 1935: "YOU CANNOT BE ENGLISH JEWS. We are a race and only as a race can we perpetuate. Our mentality is of a Hebraic character and differs from that of an Englishman. Let us assert openly that we are International Jews." We quote from "Der Tag", a Yiddish New York newspaper of April 9, 1936: "The Jews of America, because of their numbers, interest and ability constitute a GREAT POLITICAL FORCE. They have not usurped this power. IT BELONGS TO THEM AS OF RIGHT. They are going to exercise it as they see fit. What are you going to do about it?"

Thus just as Communist Jews owed their primary loyalty to Moscow and the Red Internationale so the Zionist Jew owes his primary loyalty to the state of Israel. Under neither circumstance can the Jew ever be trusted as a loyal patriot in the Gentile nations wherein he resides and makes his living. The Zionist network maintains fund-raising organizations in every nation of the world which operate behind the facade of charitable, fraternal and benevolent organizations to collect fabulous sums of tax-free currency and influence the foreign policy of the Western World in behalf of Israel. This jeopardizes our entire relationship with the peoples of Africa and Asia and draws these nations ever closer to the Soviet bloc. Let us break down, country by country, the activities of Zionist fund-raising organizations throughout the world:

1. UNITED STATES OF AMERICA:

When Americans consider the tremendous taxes levied upon the income of our citizens by our Federal and State governments they should be interested to learn that American sources provided one third of Israel's foreign currency income of \$19,000,000 for the fiscal year ending March 30, 1956. These FUNDS WERE NOT TAXED BY THE U.S. GOVERNMENT. Zionist sources collected American dollars through four methods. We break them down as follows:

A. UNITED JEWISH APPEAL---this Zionist fund-raising front collected over \$98,000,000 in the period 1954-55. The UJA expects to collect \$100,000,000 in 1956 alone.

B. ISRAEL BOND DRIVE---the Israel Bond Drive has collected and transmitted to Israel \$249.8 million during the last five years. These bonds help to support aggressive Israeli war machine in actions such as the recent military invasion of Egypt's Sinai Peninsula and the Gaza Strip.

C. NATIONAL JEWISH AGENCIES FOR ISRAEL:---these Zionist organizations raised \$69,637,024 in 1954 and \$79,957,120 in 1955 for transmission to Israel.

D. U.S. GOVERNMENT ASSISTANCE TO ISRAEL---Unfortunately we do not have the total figures on the amount of money granted to Israel from the coffers of our national treasury but we do know that a new grant of \$25,000,000 has just been approved on April 20, 1957.

The above figures will give you some idea of the amount of American currency shipped out of this country with the collaboration of the rotten brood of political prostitutes in the White House and Congress. How long will Americans tolerate this shameful condition to exist while they groan under our tax burden?

2. GREAT BRITAIN:

Although England was on the verge of bankruptcy and announced that English troops could not be maintained in West Germany, Korea or Malaya nonetheless the Joint Palestine Appeal collected \$1,820,000 at its opening dinner. The same Zionist outfit collected \$5,600,000 in 1955 and aimed at a goal of \$7,000,000 in 1956. British citizens were suffering from the loss of their overseas empire and groaning under excessive taxation while British Jews were shipping valuable, tax-free British currency to Israel.

A great migration of semi-literate West Indian Negroes was pouring into English industrial centres while conversely White English citizens were migrating en masse to Canada and Australia. These West Indians were being organized by the Jewish dominated British Labor Party. This corresponds to America's Puerto Rican problem wherein teeming hordes of Puerto Rican immigrants are mobilized by the Jewish-dominated American Labor Movement and the Democratic Party. In return for union pay these immigrants must vote for pro-Zionist political candidates. In Great Britain, Sir Keith Joseph returned, as a Conservative Party member, to Parliament. There are now two Jews from the Conservative Party and seventeen from the Labor Party in the British Parliament.

A few short years ago no Jews were even permitted in Parliament. How LOW THE MIGHTY HAVE FALLEN. What price for kosher democracy?

3. ITALY:

The Jews of Italy have a unique system of organization. There are 23 Jewish communities in Italy and under a law passed in 1930 all Jews must belong to one of the these communities and PAY A SEPARATE TAX TO THE JEWISH COMMUNITY AS WELL AS TO THE ITALIAN STATE. THE JEWISH community council would determine the amount of tax to be levied on each individual and THE ITALIAN GOVERNMENT WOULD COLLECT THIS TAX AND TURN IT OVER TO THE JEWISH COMMUNITY in such cases where an individual Jew refused to pay up voluntarily. In other words, the Italian government became the official tax collectors for this alien, "state within a state" situated on Italian soil.

In May, 1956 the 23 Jewish communities of Italy met to form a council and were addressed by Giuseppe Ottolenghi, President of the Milan Jewish community who stated that steps must be taken TO PREVENT ANY CHANCE OF ITALY'S 30,000 JEWS BECOMING ASSIMILATED INTO THE ITALIAN POPULATION. He urged the improvement of personnel in Jewish schools which aim was to be realized by increasing the tax on the Jewish communities of Italy. In every nation of the world the Jews are raising large funds for the maintenance of secular Jewish schools which preach the exclusiveness of the "CHOSEN PEOPLE OF GOD" and warn them upon pain of eternal damnation not to marry outside of their race. These schools also serve as seed-beds of militant Zionist activity for the Jewish youth.

The Italian Zionist Federation collected during 1955-1956 the sum of Lire 100,000,000 (\$160,000) from the comparatively destitute Italian economy. This sum was shipped to the vampire-state of Israel for action against her Arab neighbors.

4. WEST GERMANY:

Under the military occupation of the so-called "WESTERN DEMOCRACIES" Germany has become a virtual slave colony producing merchandise, war material and currency for Zionist Israel. Payments from Germany to Israel under the so-called collective restitutions agreement supplied Israel with her largest single source of foreign currency in 1955-56 (\$90,000,000). Individual Jews living in Israel were receiving total indemnities at a rate of \$2,000,000 per month and this rate was expected to increase in 1957 as a result of the liberalization of the German Indemnification Law passed by Old Granddaddy Adenauer and the professional Jew-lovers of the Bonn Parliament.

The sweat and toil of German and Austrian labor is being used to fill the golden coffers of Israel. The Jews hang like bloated leeches fastened on the financial veins of the German economy. About \$390,000,000 has been paid to Jews for crimes allegedly committed against them by the former Nazi regime. The German Bundestag is made up of cheap democratic politicians who crawl at the feet of every Jew or Occupational officer. Thus the chairman of the German Indemnification Committee criticized the German courts when they demanded proof from various Jewish "refugees" that they had suffered under Hitler. IT WAS DEMANDED BY THE JEWISH INDEMNIFICATION COMMITTEE THAT ONLY JUDGES WHO WERE SYMPATHETIC TO THE INDEMNIFICATION LAW SHOULD BE APPOINTED TO THESE COURTS. Jewish leaders said that the refugees could not possibly supply proof but should be entitled to compensation anyway. These "indemnification laws" now force the German people to compensate every Jew who claims he was forced to wear the yellow star of David or who was living or fighting "underground". Indemnification must also be provided for inmates of the Shanghai Ghetto (those Jews confined as enemy aliens by the Imperial Japanese Army in Shanghai at the outbreak of hostilities in the Pacific). Compensation must be paid by the Germans to any Jew who claims he was mistreated by a foreign government induced to such action by Hitler's Reich. Thus a Jew who was allegedly mistreated by Croats, Latvians, Hungarians, Japanese etc. can demand, and usually receive, com-

pensation at the expense of the German people. The most ridiculous item of all concerns the "Law for Redressing National Socialist Injustices With Regard to Public Servants" which was amended by the German Bundestag, which judging from its actions should be located in Tel Aviv rather than Bonn, in Dec. 1955. Under this law, Jews who had prepared for a career in German civil service but had either fled the country prior to Hitler's election or been barred as a result of the Nazi Racial Laws from holding such a position WERE NOW ELIGIBLE FOR PENSIONS FOR JOBS WHICH THEY HAD NEVER HELD. This also held true for Jews who had been university lecturers and expected to become professors and for former employees of certain public utilities. A Jew only had to claim that he expected to become a professor or civil servant in order to receive full pension rights FOR A JOB WHICH HE HAD NEVER HELD. All former rabbis and employees of German Jewish communities were entitled to full pension rights at the expense of the German people. These are the laws enforced by the American, British and French Occupational authorities.

When the people of Europe and America study these facts they become aware that parliamentary democracy is nothing but a false face, a mask for Jewish exploitation and oppression of the Gentile masses. Adolf Hitler was right and the so-called "democracies" were but ignorant cattle led to the slaughter-pens of World War II by the Roosevelts, Trumans, Eisenhowers and other cheap political harlots in the service of World Jewry. NOW WE ARE PAYING THE FULL PRICE FOR OUR STUPIDITY. The Western Democracies who thought they had won World War II find themselves financially and spiritually bankrupt and useful only as docile victims for the Zionist minions of the blood-sucking vampire-state in the Middle East.

The following is an amended Thumbnail Sketch on the above captioned organization.

On 4/29/57, a confidential source, who has furnished reliable information in the past, stated that the National Renaissance Party is an anti-Semitic, anti-Negro, neo-Fascist organization with activities generally confined to the NYC area. He indicated that JAMES MADOLE, founder and leader of the party, is the only person who consistently performs party functions. He stated the party's main function is the printing and distribution of the National Renaissance Bulletin on a monthly basis and other literature from time to time, which is distributed throughout the United States and abroad where it is reprinted by similar organizations. He stated that the National Renaissance Party recently has distributed large quantities of Arab literature after stamping it with the name of the National Renaissance Party and that finance for the party's operations is partly obtained in this manner.

This source indicated the National Renaissance Party continues to maintain headquarters in the apartment of JAMES MADOLE, Apartment 8, 10 West 90th Street, NYC.

NATIONAL RENAISSANCE BULLETIN

Official organ of the NATIONAL RENAISSANCE PARTY devoted to a restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice.

MODERNIST CHRISTIANITY SEEKS TO UNDERMINE RACIAL PRIDE.

James H. Madole.

During the last thirty years the Christian religion in America has undergone a radical transformation and fallen into the hands of self-perpetuating clique of religious hucksters whose sole purpose lies in turning religion into an effective instrument for breaking down all social and racial barriers in the United States. We find Clerical quacks, with more starch in their collars than in their backbones, selling God in the same manner as they would sell toothpaste or second-hand clothing. All the techniques of modern advertising have been put at their service by our Jewish-owned and sponsored television and radio networks in order that such clerical notables as Rev. Billy (Brimstone and Hellfire) Graham, Bishop Fulton J. Sheen, Dean James Pike of the Cathedral of St. John the Divine and the Negro agitator, Rev. Martin Luther King can further brainwash the confused American public with their incessant babbling about "the equality and brotherhood of all mankind". These religious whirling dervishes preach Christian love towards the very race of people who demanded that the Roman governor of Jerusalem, Pontius Pilate, crucify Jesus Christ and release the thief, Barabbas. They praise the illegitimate state of Israel, founded in the blood and agony of hundreds of thousands of Palestinian Arabs, many of whom were members of Christian religious communities. We wonder, for example, if the Rev. Monsignor Aloysius C. Dineen of St. Agnes Roman Catholic Church in New York City had any qualms about giving the benediction at an ISRAEL BOND DINNER in April, 1955. Perhaps he had not heard the words of his fellow-Catholic, Archbishop Hakim, when he described the mass-murder of the entire population of the Catholic village of Ikret in Palestine by Zionist killers from the Stern gang. Perhaps the funds raised at the dinner blessed by Msgr. Dineen helped to supply the bayonets which the Jews used to rip open the stomachs of pregnant Arab women in Ikret and Deir Yasin? Or perhaps to cover his own perfidy, he would like to call Archbishop Hakim a liar?

Bishop G. Bromley Oxnam, spiritual leader of the National Council of Churches of Christ in America which claims to represent 35,000,000 American Protestants, has undertaken the preparation of a revised edition of the "NEW TESTAMENT" which obliterates all derogatory reference to the Jews. This will, according to Oxnam, go far toward eliminating prejudice among Christians and young people. On Mar. 17, 1953, Congressman Donald L. Jackson of California, a member of the House Committee on Un-American Activities, declared that Bishop G. Bromley Oxnam "served God on Sunday and the communist-front for the balance of the week". It might be more accurate to say that Bishop Oxnam serves his masters, the Jewish "CHRIST KILLERS" and founders of World Communism, all seven days in every week.

The task of lowering the racial, educational and cultural level of American society is shared by all the Christian denominations. As the educational status of the White man becomes ever higher, he learns more of science and technology and has less faith in the rigid dogmatism of orthodox Christian religious belief. Christianity reached the apex of its power during the Medieval Period, historically known as the "DARK AGES", during which time all the books and chronicles of

learning were in the hands of the monasteries and rigidly prohibited to the illiterate masses in feudal Europe. Great men of learning and science were either brutally burned at the stake, like Galileo - founder of the telescope, or forced to publicly recant their "heresies" as in the case of Copernicus - one of the founders of modern astronomy. During this period Europe was divided up by innumerable petty monarchs, princes and dukes; all ruling with the consent of clerical authority. In this manner kings originated the superstitious belief that they "ruled by Divine Right". During the period between the fall of the Roman Empire and the Protestant Reformation Christianity asserted its right to spiritual domination by its absolute INTOLERANCE and brutal suppression of all other forms of religious worship. The destruction of pagan temples and priests was followed, after the Protestant Reformation, by fiendish persecutions of suspected heretics and Protestants in France and Spain, and still later by the butchery of Catholics in England. In addition to the horrors of the Spanish Inquisition, history also bears witness to the senseless butchery of the "Thirty Years War" in which more than half the population of Central Europe was eradicated from the face of the earth in the name of Christianity. This blot on the face of history was strictly a religious war in which the Roman Church sought to wipe out all heretics in Europe.

Thus we find that Christianity, whether of Protestant or Roman Catholic denominations, established itself as spiritual master of the Western World through its brutal suppression of all competitive religious beliefs. The Spanish Inquisition, the slaughter of the French Huguenots, the slaughter of Catholics in England, the deportation of French settlers from Acadia to the area of New Orleans by English troops and the frightful horrors of the Thirty Years War all prove that Christianity was not rooted in the asinine bleatings about "tolerance, equality and interracial brotherhood" preached by our Dean Pikes', Billy Grahams' and Fulton J. Sheens'.

As increased technical and scientific knowledge caused a slow but steady dwindling of church attendance among members of the White race, our Christian clerics, no longer in sole possession of the books, printing facilities and sources of learning, were forced to explore new ways to "save souls" and obtain new converts. The masses of Europe were no longer illiterate and looking to Heaven as their only hope of solace for a better life after death. Since the Church no longer controlled the sources of learning and could no longer produce illiteracy and poverty in White nations as was done during the Medieval Period, why not send hordes of "Christian missionaries" to the unenlightened Africans, Asiatics and South Sea Islanders? Both the Protestant and Catholic hierarchies started to send thousands of missionaries into every remote part of the world seeking new converts. Meanwhile, back in the Western World, the various denominations of Christian clerics started to sing a brand new tune. It was suddenly discovered that Jesus Christ had meant all men to be brothers. The blood-stained past of Christianity in Europe must be forgotten. Not only this, but lo and behold, Jesus Christ had somehow paid a personal visit to our Billy Grahams', Fulton Sheens', and Bishop Oxnams and told them to spread the word that the Jews had a special mission to fulfill in God's scheme of the Universe. Not only had God forgiven the murderers of "His only begotten Son," but He was going to reward them by annihilating the enemies of Israel.

This amazing fact was only discovered after generous financial aid started reaching our so-called "Christian" clerics from Jewish sources. Our clerics also found that they shared a common goal with the Jewish Communist clique; namely, breaking down all barriers to unlimited immigration of Puerto Ricans, West Indians, African Negroes and other non-assimilable racial minorities. These culturally retarded and semi-savage peoples were excellent material with which to swell church attendance and served also to lower the social and educational standards of America's White population. Perhaps, when racial taboos had been shattered and sufficient people had crossed the "color line", the White race could once again be reduced to complete dependence on clerical authority for its sources of knowledge. To graphically demonstrate the diabolical collaboration between clerical leaders

and American Jewry in the scheme to destroy racial pride and integrity, we should like to cite the statement of Dean James Pike at a public hearing before the general welfare committee of the New York City Council. This committee is now studying the "Sharkey-Isaacs-Brown bill" to bar all racial segregation in private housing in greater New York. We quote from the "NEW YORK WORLD TELEGRAM" concerning Pike's statements:

"New York City's housing is more rigidly segregated than in dozens of cities of cities in the deep South, Dean James A. Pike of the Cathedral of St. John the Divine said today...Dean Pike prophesied that Manhattan may become a non-white ghetto within a few years if the law isn't adopted. In a blistering condemnation of existing codes, which he said now keep 93% of the city's private housing away from Negroes and other racial minorities, Dean Pike said New York may become "a walled city set apart by rivers" and with "an estranged suburbia looking down on it from its lily-white parapets".

Dean Pike was one of 40 spokesmen for groups like the NAACP, the Urban League, the State Committee on Discrimination in Housing (SCAD), the CIO Council and the Civil Liberties Union. Of these outfits, NAACP is run by the Jew, Arthur Spingarn, SCAD is run by the Jew, Charles Abrams and the Urban League is directed by a Jew, Theodore Kheel. At this kosher gathering Mayor Robert F. Wagner outdid himself by stating

"I firmly believe that New York City must show the way to our fellow Americans all over the United States: that we can speak in behalf of freedom and democracy throughout the world only if our own house is in order. As long as I am Mayor the city can look toward the ultimate goal of AN OPEN CITY in which there would be no discrimination or segregation."

To further demonstrate the open and flagrant collaboration between our Modernist Christian clerics and the Communist element of American Jewry we quote excerpts from the Negro newspaper "AMSTERDAM NEWS" entitled "SOUTHERN BAPTISTS URGE THAT JUSTICE BE GIVEN TO NEGROES."

"The Southern Baptist Convention last week unanimously reversed the position causing its birth in 1845. The South's largest church group called for an end to racial integration resistance and demanded that law enforcement agencies "bring to legal justice" perpetrators of violence. Unanimously adopting a report by the Christian Life Commission, the convention asserted that "We believe our nation cannot long endure these lawless attacks made upon the person and property of free citizens in contempt of the law and the courts of Justice".

Still another proof of the degraded nature of so-called "Modernist Christianity" is furnished by an Associated Press dispatch from Buck Hill Falls, Pennsylvania entitled "SECT OKAYS INTER-RACIAL MARRIAGES":

"The Reformed Church in America has unanimously adopted a far-reaching credo on race relations at the 151st meeting of its general synod. The credo, speaking on behalf of 220,000 communicants in 845 congregations, approved the "racially inclusive and culturally integrated church as the highest demonstration of the transforming fellowship of the Christian faith...Concerning intermarriage among races, the church affirmed its belief that being "in Christ" transcends all ethnic and cultural barriers. (ED. NOTE: Nothing was said about what Christ had to do with the arrival of hordes of mulattoes and albinos on the American scene. Mothers, don't mind if your daughter brings home an African Hottentot for a son-in-law as long as she is "in Christ".) It proclaimed further that "racially restricted housing covenants are inconsistent with Christian integrity."

We should not forget the monumental efforts of Catholic Archbishop Rummel to forcibly integrate all the Catholic parochial schools in the diocese of New Orleans.

Rummel threatened his parishioners with excommunication, and was backed up the Vatican, but the sturdy French Cajons merely refused to attend church or to send their children to integrated parochial schools. As a result, when 25 churches in the district had been closed and little money was entering into the Church coffers in Louisiana, the Pope and Archbishop Rummel must have received new advice "from heavenly quarters" SINCE THEY BOTH DROPPED THE PREVIOUS COMMAND FOR INTEGRATION OF PAROCHIAL SCHOOLS IN THE DIOCESE OF NEW ORLEANS. We, in order to set the record straight, would like to quote some of the leading historical figures in the filed of religious, philosophical, social and military thought on the Jewish Question. We would like you to compare their words with the mouthings of our Modernist religious leaders who work cooperatively with International Jewry in their joint effort to destroy the beauty and creative ingenuity of the White Aryan Race.

WORDS BY GREAT RELIGIOUS LEADERS OF THE PAST:

1. MOHAMMED (Founder of the Moslem religion) ---"Their aim will be to abet disorder on this earth. It is incomprehensible to me, why one has not long ago expelled these death-breathing beasts...are these Jews anything else but devourers of men?"
2. ST. JUSTIN (116 A.D.) ---"The Jews were behind all the persecutions of the Christians. They wandered through the country everywhere hating and undermining the Christian faith."
3. ST. THOMAS AQUINAS---"The Jews should not be allowed to keep what they have obtained from others by usury; it were best that they were compelled to work so that they could earn their living, instead of doing nothing but to become more avaricious."
4. POPE CLEMENT VIII (1592)---"All the world suffers from the usury of Jews, their monopolies and deceit. They have brought many unfortunate people into a state of poverty, especially farmers, working-class people and the very poor."
5. ABBOT TRITHEIM OF WURZBURG (1462-1516)---"I approve of lawful methods of preventing the exploitation of the people by Jewish usury...Shall these people dare to fatten themselves without punishment on the sweat of the peasant and the craftsman?"
6. MARTIN LUTHER (Founder of the Protestant religion) ---"How the Jews love the book of Esther, which is so suitable to their bloodthirsty, revengeful, murderous appetite and hope. The sun has never shown on such a bloodthirsty and vindictive people, who cherish the idea of murdering and strangling the heathen. No other men under the sun are more greedy than they have been, and always will be, as one can see from their accursed usury. They console themselves that, when their Messiah comes, he will collect all the gold and silver in the world and divide it among them."

WORDS BY GREAT PHILOSOPHERS & MILITARY LEADERS:

1. CICERO (Great Roman orator)---"They are a nation of rascals and deceivers."
2. SENECA (Great Roman statesman)---"These pestilential people have known how to acquire such influence that they, the vanquished, dictate laws to us, the victors."
3. VOLTAIRE (Great French philosophy)---"The Jews are nothing but an ignorant, barbaric people, which have for a long time, combined the most loathsome avarice with the most abominable superstition and inextinguishable hatred of all people by whom they are tolerated, and through whom they are enriched."
4. NAPOLEON -- "I decided to improve the Jews; but do not want any more of them in my kingdom: indeed, I have done all to prove my scorn of the vilest nation in the world."

5-BENJAMIN FRANKLIN (statement at the Constitutional Convention concerning possible Jewish immigration to the United States)---"There is a great danger for the United States of America, this danger is the Jew. Gentlemen, in every land which the Jews have settled, they have depressed the normal level and lowered the degree of commercial honesty. They have remained apart and unassimilated, they have created a state within a state, and when they are opposed they attempt to strangle the nation financially as in the case of Spain and Portugal. For more than 1700 years, they have lamented their sorrowful fate; namely, that they were driven out of their motherland but gentlemen, if the civilized world today should give them back Palestine and their property, they would immediately find pressing reasons for not returning there. Why? Because they are vampires, they cannot live among themselves; they must live among Christians and others who do not belong to their race. If they are not excluded from the United States by the Constitution, within less than 100 years, they will stream into this country in such numbers that they will rule and destroy us and change our form of government for which we Americans shed our blood and sacrificed life, property and personal freedom. If the Jews are not excluded, within 200 years our children will be working in the fields to feed the Jews while they remain in the Counting House gleefully rubbing their hands."

We should compare the words of religious hucksters like Billy Graham and Bishop G. Bromley Oxnam as they lavish praise on the Jews and the state of Israel with the words of Martin Luther, founder of the Protestant religion. Compare the politically motivated activities of Archbishop Rummel and the present Pope with the words of Pope Clement VIII, St. Thomas Aquinas and St. Justin. When this is done you will understand how the Christian religion has been perverted and used by the enemies of the White Race as a Trojan Horse or Fifth Column which preys on the genuine religious sentiments of millions of White Christians. BEWARE THE BOLSHEVIKS IN CLERICAL COLLARS.
